

The American Academy of Financial Management™ (AAFMTM) is pleased to announce that has been granted the most coveted and highest Global Wealth Management designation “Chartered Wealth Management® (CWM®)” Professional Designation. In doing so, brings the highest level of expertise and distinction in Wealth Management to

Recognizing the unique skills and wide-ranging knowledge required of Wealth Management Professionals, American Academy of Financial Management™ AAFMTM implemented the CWM® certification program to define the standards in the Wealth Management and Investment Advisory profession. The comprehensive certification exam is periodically reviewed, updated and expanded by an AAFMTM appointed committee of Wealth Management experts to reflect the on-going changes within the profession.

In addition to meeting the program's education and experience requirements, those awarded the CWM® Designation must complete minimum Continuous Professional Development Criteria which ensures continuing professional education in Wealth Management, Investment Advisory, Estate Planning etc. every year to remain certified.

More and more employers, faced with critical staffing decisions, consider the CWM® credential an added value to current and prospective employees. ***Employers are confident that holders of the credential have demonstrated the knowledge and skills required to perform competently in today's complex wealth advisory environment.***
