EXAMINATION NOTIFICATION

We are pleased to inform that AAFMI India's premier global certification in Wealth Management & Financial Advisory Services i.e. CHARTERED WEALTH MANAGER®, has got accreditation from NISM under the SEBI (INVESTMENT ADVISERS) REGULATIONS, 2013

With reference to the accreditation requirement of NISM under the Regulations, some additional topics to the existing curriculum of CWM® Certification Program have been added and same would form part of the assessment of the CWM® Examination from **March 1, 2014.**

These topics are already included in the study material given to the current students from February 2014.

Level	Unit No	Chapter No.	Chapter Name
1	1	14	Regulatory Structure in India
1	2	10	Ethical Issues in Providing Financial Advice
1	8	8	Investment Advisers Regulations, 2013
1	8	9	Investor Complaint Redressal Mechanism in India

Students with study material prior to February 2014 can access these additional topics through their student account on the AAFMI Website.

We will be sharing sample questions based on these topics with the students.
